Viento

Impression 434 „Viento“

This comfortable and luxurious exclusively equipped three-cabin yacht with owner's cabin in bow will be appreciated mainly by those who seek the peace of a circle of family and friends. On this boat you will find all standard equipment as well as many extra accessories.

The boat is well equipped for a nice and comfortable stay. The galley is completely equipped for cooking of your culinary specialities. All you need is there: wine glasses, a fridge and a large separate freezer for food storage. Nice music from a quality BOSE sound system will accompany you during your holiday. Your children will appreciate watching their favourite fairy tales on DVD for a good night. All the accessories are designed for your comfort. Non-glare LED lights in the cockpit and saloon, 220 V power points in all cabins and independent heating will provide you a pleasant stay even during unfavourable weather or off-season. On sunny summer days you will appreciate a teak deck and a cockpit covered by a bimini. The sailing yacht „Viento“ is one of our first boats that you can take and return on Wednesday (Saturday). If you decide for charter on Wednesday you can avoid the heavy road and marina congestion on Saturdays.

We wish you happy sailing.
